Can you imagine living in a place of peace and comfort? This house perfectly combines luxury and tranquility. Located near a fantastic city; in a paradise in the heart of the Costa Blanca: Altea. Without a doubt, it is the perfect place to get lost in nature.

Luxury and tranquility.

We present the new promotions of Azure Altea Homes 2, an emblematic place and just a step away from the Mediterranean Sea. And not only that. There are more factors for which you will want to stay and live in this area: leisure, gastronomy and endless cultural activities to spend your free time.

Villa Tempo is located in one of the most exclusive areas of the Costa Blanca North: in the Sierra de Altea. Spectacular views of the Mediterranean Sea and a location that ensures maximum tranquility.

A modern design open to the outside, thanks to its glass walls with sea views. Undoubtedly the light is the main protagonist and when the views are so spectacular.

Villa Tempo has an elevator that communicates with the rest of the floors and with the private parking for two vehicles.

The day area is located on the ground floor, where you will spend most of your time. A unique space where you can enjoy separate rooms with access to outdoor areas. The outside dining room is covered by a large porch, with a barbecue area, and the inside dining room opens onto the living room of the house and the main terrace.

Spaces that are connected, next to a spectacular endless pool.

The middle floor has 3 bedrooms, all with en-suite bathrooms, large wardrobes and access to a terrace.

The interior of this villa is made up of a radiant floor heating system, aérothermal air conditioning and a home automation system to control the blinds, curtains and lighting.

Villa Tempo is a spectacular creation of avant-garde architecture.

A special place full of wide spaces and versatility, designed to offer you maximum comfort and luxury.

Visit this showhouse and see with your own eyes all this that we have told you. Maybe it's time for a change of scenery?
