# Description

The commercialization of the III phase of the urban complex "Marina Real III" has begun.

This new residential in Denia, under construction, is located in a highly valued residential area to acquire a house for long stays or for vacation periods given its magnificent location: 800 meters from the sandy beach and from Las Rotas promenade, 250 meters from two large supermarkets, 550 meters from the Real Club Náutico and 500 meters from the city center of Dénia. You can go to the city without having to take the car, which will make your life much more comfortable 5 minutes from the town center.

It is made up of 4 blocks of apartments with 1, 2, 3 and 4 bedrooms units with views of the Montgó, garages, storage rooms and excellent common areas.

The urbanization will have a large community pool, social premises and a gym room for the exclusive use of the owners.

The houses have ducted air conditioning, an intelligent ventilation system, production of domestic hot water and aerothermal air conditioning, video intercom, blinds and a kitchen equipped with an extractor hood, oven, microwave and induction hob.
