Oliva is located in a privileged place in the Mediterranean with numerous and splendid beaches of fine golden sand, with shallow waters that stretch for 8.5 km and are known throughout Europe for their unparalleled naturalness, beauty and quality. Characteristics that, together with the warm climate and a wide range of services, make Oliva's beaches a preferred destination to enjoy holidays at any time of the year.

Terranova Beach

It is a beach of great ecological quality, since it keeps its dune structure intact. This fine sandy beach has repeatedly received the blue flag of the European Community.

Length: 1750 meters

Width: 80 meters

Type of sand: fine grain, golden color

Occupation level: medium

Do not hesitate to contact us for more information and/or to organize a face-to-face visit to the promotion.
