This exclusive project comprises three residences, each distributed over two levels with three spacious bedrooms, each with en suite bathroom, and a guest toilet.

Fitted wardrobes and dressing room in the master bedroom.

The layout is adapted to each plot, maximising natural light and practicality in the homes.

An open plan kitchen with integrated island, equipped with Bosch appliances.

The residences are adorned with large windows fitted with Climalit protective glazing and high quality aluminium carpentry.

Porcelain tiles throughout.

Distribution of Villa 3:

We enter the house through the living room overlooking the pool terrace, with stairs in front leading to the first floor. To the left, there are 2 bedrooms with en-suite bathrooms, and to the right, there is a spacious kitchen-dining room with an island, a guest toilet, and a laundry area.

On the first floor, there is a large bedroom with a dressing room, en-suite bathroom, and two large terraces with two orientations to seek the sun or shade throughout the year.
