Description

Idyllic apartment, with an interior design project executed in 2024 and new furniture, in a beautiful development located in a privileged enclave: at KM 1 of Las Marinas, just 350 meters from the sandy beach and 950 meters from the center of Dénia.

The development features a communal pool, jacuzzi, foot shower area at the entrances, and a large Mediterranean-style garden where you can have picnics, set up your sun loungers, sunbathe, and read peacefully.

The apartment is a ground floor with direct access to the communal garden, with two spacious covered terraces that offer maximum privacy equipped with awnings and a complete set of outdoor furniture, and a small private garden area with artificial grass. Built areas: 71 sqm of living space + 30 sqm of terraces + 10 sqm of private garden.

Two bedrooms (one of them with an en suite bathroom), two bathrooms with shower, living room, and fully equipped American kitchen with cooking utensils and appliances: dishwasher, oven, microwave, induction hob, refrigerator, and washing machine.

Air conditioning with split systems (hot/cold) in all rooms, ceiling fans in the bedrooms, electric radiators, blinds on all windows, and fiber optic internet. The apartment also has an underground parking space. Gated community with access via motorized gate. Relatively modern construction (2006).

The apartment is delivered equipped with clean and set bed linen and 1 set of towels (small and large) for each guest.

Services and common areas: for exclusive use of owners and tenants.

The environment: the strategic location of the development, between two secondary streets, gives it exceptional tranquility away from car noise and the city. At 400 meters there are two supermarkets (Aldi and Rossmann) and the Tennis Club, where you can book courts to play tennis or paddle tennis without being a member.
