Description

Experience coastal luxury in this stunning villa located in the prestigious Les Cansalades area of Jávea. This home, spread over three spacious floors and encompassing 521 m² of meticulously designed living space, is a true masterpiece of elegance and comfort.

The villa was built with the most modern architectural solutions on a large 1,659 m² plot. The uniqueness of the villa lies in its bright, spacious, and ergonomic designs, its location in a highly prestigious area, and the presence of two outdoor relaxation areas. It combines magnificent views of the mountains and the sea with a south-facing, highly private relaxation area.

The villa is equipped with two outdoor pools and a SPA area with a hammam and an indoor heated pool with a counter-current system.

Heating: underfloor heating with Daikin heat pump.

A hybrid Loxon+KNX smart home system is used, simplifying use and allowing control of most functions from anywhere in the world (roller shutters, lighting, access control, climate).

Equipped with a Sonos sound system, 18 kW solar panels with storage batteries, an electric vehicle charger, air conditioning, and three pools.
