Allow your senses to be carried away by perfection. This villa, located in the exclusive **Azure Altea Homes 2**, is more than a residence: it is a work of art, a place where every corner is designed to captivate and seduce.

A romance between light and space

From the first step, you are enveloped by the warmth of its architectural design. Its **infinite windows** and high ceilings allow the Mediterranean to become part of your daily life, bathing every space in natural light and an air of sophistication that is impossible to ignore.

An oasis for the soul

The infinity pool seems to merge with the horizon, where the blue of the water meets that of the sky and the sea. Here, the afternoons become poetry: a swim at sunset, a glass of wine under the stars, or simply the pleasure of existing in an environment designed for your delight.
