Description

Oasis Beach Boutique Studio is a loft-style penthouse for two people, fully renovated in 2026 and located in one of the most special areas of Dénia.

Here, you can forget about the car for much of your stay. The sandy beach of La Marineta Cassiana and the seafront promenade are just a short walk away, while the Yacht Club, Marina de Dénia, restaurants, water sports and the charming town centre are all close by.

The studio is open-plan and has been thoughtfully designed to make the most of every corner.

It features a two-piece modular pouffe sofa that you can move around and arrange however you like. The bed (160 × 200 cm) comes with two different types of pillows, allowing you to choose the one that suits you best.

The main terrace, facing south, enjoys sunshine for much of the day and offers views of the swimming pool and Montgó. It is the perfect place to have breakfast, read, sunbathe or simply relax and enjoy the views.

The second terrace, facing northwest, offers a different and cooler atmosphere, with views towards the outside of the residential complex.

And because it is often the little details that make a stay effortless, the apartment has been prepared so you do not have to worry about the essentials during your holiday.

We will be available to assist you before and throughout your stay, help make your arrival as smooth as possible, recommend places and activities, and answer any questions you may have.

The idea is simple: you can enjoy complete independence and privacy while knowing that help is always available whenever you need it.

Because, for us, great accommodation is not simply about having a comfortable bed and a good location. It is also about making everything easy.

The residential complex is small and private, which contributes to its peaceful and pleasant atmosphere.

Its swimming pool has the particular charm of traditional Mediterranean developments. After a day at the beach or exploring Dénia, coming back for a refreshing swim may be exactly what you need.

Free street parking is available nearby.

Fully equipped for a comfortable stay

To ensure that you only have to focus on enjoying your stay, the apartment offers:

- *Hot and cold air conditioning
- *Blackout curtains
