Description

A unique opportunity to acquire a typical Mediterranean farm in Tosalet, Jávea. Quiet residential area of the city with private security 24 hours and only 1,5 kilometers from the sea.

Beautiful garden with many palm trees, a tennis court, a covered parking for several vehicles, a garage, a huge pool (72 m²) and summer gazebo. There is a water well to irrigate the garden and fill the pool, resulting in significant water savings.

Built to order at halves of the last century, it was renovated a few years ago without spoiling its unique style. High quality construction: wooden beams, tosca arches, handmade clay floor, marble in the bathrooms, wrought iron bars, etc.

One-storey villa with a very convenient layout: living room with fireplace, dining room, fully equipped kitchen with pantry and laundry room, guest toilet, 5 bedrooms and 5 bathrooms. The bedroom and bathroom for the service staff has a separate entrance. Several covered and uncovered terraces with barbecue area.

The villa is in excellent condition and is sold furnished.
