€ 2,000,000

ID1/1079

## Description

Villa of three heights totally reformed with extension of the construction surface in the year 2012. The farm is located in a residential area near the Arenal.

Quality construction: marble floor, high ceilings in the living room, beams of movila.  
Fusion of two styles: rustic and modern, which resulted in an extraordinary finish.

Flat plot with open views. From the second floor there are sea views.  
Well of water for the garden and the pool.

The house appeared in one of the programs dedicated to interior design of the Spanish Public Television.
