Description

A property of such perfection and beauty can rarely be found. This property consists of 3 detached houses:

The main house: 2 bedrooms, 3 bathrooms, dining room, living room, kitchen, wine cellar, sauna.

Second house: 3 bedrooms and 3 bathrooms.

Third house: 2 bedrooms, living room, kitchen, bathroom, billiard and a gym.

The location is just like the coast itself –enchantingly beautiful and an eternal sanctuary. The Costa Blanca’s northern territory, undoubtedly, always holds its own as nature’s special favorite, with its striking, white cliff formations, partly sloping steeply into the sea, partly covered by greenery, gently reaching an end in the picturesque bays.

This unbelievable property is situated where the coast is at its most beautiful; a wide, sweeping driveway leads the way, from behind large, secluded gates, towards the unique, imposing, front-line villa, that, surrounded by unparalleled nature, presents a fascinating blend of the Inca Temple and the modern design of a luxury hotel, the irresistible flair of centuries old culture and innovative, discerning technology.

Artistically planned grounds, revealing an understated and refined design, create a befitting and glorious environment, that, the splendor of the location notwithstanding, the magnificent architecture truly shows to its best advantage. The choice of building materials has proven to be an accomplished one, the quality of finish, absolutely first rate, always an appealing combination, yet seldom as outstanding as displayed here. Clear, almost sharp, architectural lines, in addition to each flattering curve, provide the ideal background for the exquisite decor; the dining room table, for example, comprises a unique, genuine marble slab of considerable proportion and unusual coloring.

The tiles in the bathrooms and kitchen are, for another matter, a work of art, a blend of charming, modern design and traditional craftsmanship, while expertly fitted window features reinforce the ambience of light.

Everything is clearly original, and of obvious skill and superiority.
