Description

Spacious and sunny apartment -104 square meters- in a beautiful complex located at the foot of Montgó. Two communal swimming pools (adult & children) and a large Mediterranean-style garden where you can have picnics, set up your sun loungers, sunbathe, and peacefully read.

The apartment is on the ground floor with direct access to the garden and is located on a corner, making it very private. The two parking spaces are right in front of it, you'll go from the car to the door in two steps.

Two bedrooms (one with its own bathroom with bathtub), bathroom with shower, cozy and spacious living room, and fully equipped open-plan kitchen with high-end appliances: dishwasher, oven, microwave, induction hob, fridge, and numerous compartments.

Ducted air conditioning (hot/cold), WIFI, electric shutters on all windows. The apartment also has two uncovered parking spaces. Gated community with access via motorized gate. Relatively modern construction (2009). The apartment is impeccable.

East orientation: morning sun on the terrace.

Services and common areas: children's pool and adult pool for the exclusive use of owners and tenants.

The surroundings: the strategic location of the urbanization gives it exceptional tranquility and calm, away from the noise of cars and the city. However, it is not far from the city center either: 1.5 km from the main street and 800 meters from two supermarkets (Consum and Lidl). The nearest beach is Marineta Casiana and Las Rotas promenade.
