In 2003 this wonderful villa was built in a typical Mediterranean timeless style in one of the most valued areas of Javea: Balcony to the sea.

The nearest supermarket is 1.6 km away, at the same distance there is a tennis school, a couple of kilometers several bays. The famous Arenal beach and the city center are 6 km away.

The villa is built on a plot of 1,044 m². And until this moment is in an impeccable state.

On the plot: a pool in the shape of a drop, summer kitchen, outdoor shower, covered parking for 2 cars, wooden house.

Main floor: living room with access to the covered terrace, american kitchen with a small pantry and access to the winter conservatory, dining room, guest toilet, master bedroom with a bathroom (bath and shower). From the living room, bedrooms and terraces you can enjoy beautiful views of the sea.
