Description

For sale this classic style villa, "Calypso", with frontal views to the coast, the sea and the castle of Denia.

Located in a residential area, Marquesa VI, where the most luxurious mansions are located on the border with the Montgó nature reserve.

It is a double plot -1 600 m²- with entrance through two streets.

At the top there is a covered parking; in the lower part there is a garage for 2 cars with an area of 43 m².

Beautiful well-kept Mediterranean garden with automatic irrigation: palm trees, cypresses, olive trees and a small pond. On the plot there is a pool of 49 m², a shower and a cozy summer kitchen with barbecue.

The villa was built in 1995 and is in perfect condition. Materials of superior qualities were used.

On the main floor: a hall with fitted wardrobes, a living room with fireplace, a fully equipped kitchen, 2 large bedrooms with a bathroom and a huge master bedroom with a bathroom and a dressing room.

The area of this plant is 200 m².

From the living room, the kitchen and the master bedroom there is access to the covered terrace and a beautiful view of the sea.

From the terrace we go down to the pool and the terraces.

The ground floor -with an independent entrance- is a semi-basement: a cellar, storage room, room where you can install a sauna and a large free space. There is the possibility of doing at this level a gym or a guest apartment as there is a water supply. The basement surface is about 100 m².

It is worth noting:

- High ceilings
- marble floors and columns
- blank interior carpentry
- stained glass windows
- underfloor heating

The villa is fully prepared for permanent residence or for your summer vacation.
