Description

If you are tired of the hustle and bustle of the city, if you want privacy but at the same time have all the necessary services and the beach next door, this little villa is for you. Built in 1929 on a plot of 5,625 m², it requires a general reform. It's a rough diamond.

It consists of a single floor with an area of 200 m² and beautiful views of the mountains and hills. The villa has a living room with fireplace and access to a covered terrace, a kitchen with dining area, 2 bedrooms and 2 bathrooms. There is the possibility of extending the house through the garage (an additional bedroom with bathroom) as it is forbidden to increase the area built.

On the plot we find a pine forest, an orchard with citrus and olive trees and a beautiful swimming pool with a summer dining room next to it.

Located in a dead end street only 550 meters from the La Sella Golf Club and the Hotel Marriott SPA. Between the two coastal cities of the north of the Costa Blanca, Denia -6,8 km- and Jávea -8,8 km-. The nearest supermarket is only 2,6 km away.
