Description

Beautiful Mediterranean-Ibizan villa in a paradisiacal enclave: Cap Martí, in Jávea. Stresses its location that offers 180 degree views of the sea and Montgó and a warm garden that blends in perfect harmony with the style of the house with spaces oriented towards the four latitudes. In addition, a large 12x5 pool and a summer gazebo merge with the landscape.

The property is framed within a plot of 2,359 m² and the villa has 296 m² of construction.

The main floor is distributed in an entrance hall, living room divided into two areas with fireplace, master bedroom with en suite bathroom with bath and shower, second bedroom with en suite bathroom and fully independent kitchen with access to a west-facing terrace.

The upper floor houses three rooms (one with a balcony overlooking the sea) and a bathroom with a bathtub and shower.

It should be noted the natural stone walls even inside the house itself. The house is equipped with central heating and double glazing in most of the house.

Possibility of acquiring a plot of 1280 m² that borders the house.
